Hello surbhi,

We are pleased that you accepted the Analog Engineer position with Texas Instruments, and that your anticipated start date is Aug 5, 2024, 12:00 AM. Welcome aboard!

Thank you for completing your initial tasks, please visit the [onboarding portal](#) between now and your start date to complete additional new hire tasks.

On your portal you will find important information to help you understand our onboarding process, including the items you need to complete prior to reporting to work, what you need to bring with you to new hire orientation (the day you report to work), and information about TI and your work organization.

Again, welcome to TI!
